Art is everywhere and Ricky Martin is the guy to show you, creating art on a small and grand scale and featuring techniques from well known artists from Picasso to Banksy.

Ricky's guide to filming DIY animation, and his use of everyday items to make epic art pieces makes this compelling viewing for older children.

ART NINJA SERIES

ONE SYNOPSES

DAY OF THE BIRDMAN

Ricky is reminded of his childhood pet Mr. Chicken. After creating Picasso inspired art on an egg box he decides to fly like a bird making an ingenious collage to help him find his old feathered friend.

DAY OF THE ANGRY CLOUD

Ricky can't go out because of the rain. He makes a water picture inspired by Turner, as well as a 'Whatever the Weather Hat'. When it turns out the weather isn't so bad, it inspire him to make art using a hose pipe and luminous paint.

DAY OF THE BUG

Ricky has a cold, so he makes an unusual 'Nose Tissue Dispenser' to help keep it at bay. The last thing he needs is to make art in a freezing cave with his mate Michael, but their fluorescent creation brings light relief and amazing results!

DAY OF THE EXPLODING PAINT

Ricky is redecorating. He makes some Escher inspired wallpaper to add pizzazz to his flat, and he uses paint filled balloons to help add colour to Sarah's flat!. Turns out this wasn't the kind of painting Sarah had hoped for!

DAY OF THE GOBLINS

Ricky is lonely. He makes a puppet goblin as a friend but it mysteriously multiplies until Ricky is overrun with them. He gets his mates to help box them up and pack them off. They use the boxes to make some monstrous graffiti, but is it the end of the goblins?

DAY OF THE JUMPING JACK TRASH

Ricky is tidying up. His dad brings around a box of his old junk including a robot, which helps him to create a pointillism picture with cotton buds. His old pogo stick inspires Ricky and his friends to make a huge pogo painting.

DAY OF THE DISGUISE

Ricky oversleeps and misses Sarah's birthday. He has to avoid her while he makes her a present using lolly sticks, a cardboard circle and some wool. He then puts on a surprise party at the gallery, but will his disguise draw the eyes?

DAY OF THE ALIENS

Ricky thinks aliens have visited him. He's inspired by Keith Herring to create an alien picture, and later finds mysterious numbers everywhere. They lead to a maze maker who helps him make am-azing art. But is it out of this world?

DAY OF THE LUCKY TRUNKS

Ricky can't find his lucky trunks for a day at the seaside. He sends his friends a postcard and creates a giant stamp. He then goes to the beach to make a comical montage with his photographer friend Kev. Will Ricky be lucky after all?

DAY OF THE DOG

Ricky would like a pet, but his dad's allergic to animals. He decides to make a 'Fake Fido', but when his mates Gav and Sarah ask him to look after their dogs, and with his dad on the way over, it's time for walkies and to make amazing art on the run.
